Tax Certificate Request Instructions

If the filing of tax returns is necessary before a certificate can be issued, please submit copies of these returns along with your certificate request form. This will expedite the process.

If your organization has registered as a non-profit organization with the Secretary of State but has not yet qualified for tax-exempt status with the Department of Revenue, the following information needs to be filed for your organization to establish tax-exempt status and to subsequently receive any certificate:

An affidavit stating the purpose of the organization, articles of incorporation, by-laws, financial statements, and a copy of the IRS letter granting federal tax-exempt status if available.

Certificates - Secretary of State

Title 15 Certificate (T-15) – To reinstate the corporation with the Secretary of State, all tax returns must be submitted and all taxes paid prior to issuing a certificate. In the event that there was no activity, the corporation can file an Affidavit of Corporate Inactivity (Form INA-CT).

Dissolution/Withdrawal Certificate (DWC) – For purposes of voluntary withdrawal or dissolution with the Secretary of State, Section 15-31-552, MCA provides for a DWC. This certificate verifies that the corporation has filed all applicable returns and has paid all taxes owing the state of Montana up to the date of request for dissolution or withdrawal. The corporation remains responsible for the filing of a final return upon its withdrawal or dissolution (see TCC below).

Certificate of Reinstatement – If the Department of Revenue, rather than the Secretary of State, suspended your organization, you will need to request a Certificate of Reinstatement as well as a Title-15 Certificate.

There are no fees charged for any certificate. Upon issuance, your organization will receive an original certificate along with a copy. Both of these certificates must be submitted to the Secretary of State, Business Services Bureau.

Optional Certificates

Tax Clearance Certificate (TCC) – At the time of final withdrawal or dissolution, the Department of Revenue upon request, will furnish to a corporation a TCC verifying that the corporation has filed all applicable returns and that all taxes have been paid through and including the corporation's final year of existence in Montana. This certificate is not required to be filed with the Secretary of State.

Good Standing Certificate – Upon request by the taxpayer, a Good Standing Certificate is available from the Department of Revenue which will serve as confirmation that the corporation has filed all tax returns and paid all taxes. This certificate is not filed with the Secretary of State. Instead, it is requested by the taxpayer for verification to outside parties, such as financial institutions, that the taxpayer has no outstanding tax obligation.
